

THE BOURBAKI CHOICE

J. Dieudonné

PROGRAMME OF THE SYMPOSIUM

The programme of the Mathematical Symposium held on 30 May 1979 at New Lecture Theatre No. 1 in the Nanyang University-University of Singapore Joint Campus (Bukit Timah Road) as part of the programme of the First Franco-Southeast Asian Mathematical Conference is given below. The Conference was organised by the Department of Mathematics (Nanyang University), Lee Kong Chian Institute of Mathematics and Computer Science and French Embassy in Singapore in conjunction with Southeast Asian Mathematical Society, Singapore Mathematical Society and the Department of Mathematics (University of Singapore).

- 0915 – 1015. J. Dieudonné, The Bourbaki choice.
- 1015 – 1030. Tea Break.
- 1030 – 1130. L. Schwartz, French universities and grandes ecoles.
- 1130 – 1230. J.L. Lions, History of numerical analysis.
- 1230 – 1430. Lunch Break.
- 1430 – 1445. B.F. Nebres, Report on the International Commission on Mathematical Education.
- 1445 – 1630. Forum on Mathematical Education.
Chairman : K.K. Sen, University of Singapore.
Panel : P. Bullen, University of British Columbia, Canada.
J. Dieudonné, University of Nice, France.
L. Schwartz, University of Paris, France.
W.S. Tan, Universiti Sains Malaysia.
S. Thiagarajah, Ministry of Education, Singapore.
Y.C. Wong, University of Hong Kong.
- 1630 – 1645. Tea Break.
- 1645 – 1730. Forum on Mathematical Education (continued).
- 1730 – 1745. Prize-giving ceremony for the Singapore Mathematical Society's Inter-School Mathematical Competition 1979. Prizes to be given away by J. Dieudonné.
