2002 *A report by To Wing Keung*

A record-high total of 7,564 students from 137 secondary schools and junior colleges took part in the Singapore Mathematical Olympiad and the Singapore Secondary School Mathematical Competition organized jointly by the Department of Mathematics, National University of Singapore and the Society in May and June 2002. Together with the National University of Singapore, fourteen secondary schools served as local competition centers. In addition, for the first time, one of the competition centers was outside Singapore – in Suzhou – for participants from Suzhou Singapore International School. The society gratefully acknowledges the assistance rendered by the principals and teachers of the schools that served as competition centers: Anderson Secondary School, Anglican High School, Anglo-Chinese School (Independent), CHIJ St. Nicholas Girls' School, Clementi Town Secondary School, Manjusri Secondary School, Nan Hua Secondary School, Nanyang Girls' High School, Raffles Institution, River Valley High School, Suzhou Singapore International School, Swiss Cottage Secondary School, Temasek Secondary School, Woodlands Secondary School, Xinmin Secondary School. The competitions were sponsored by the Lee Foundation and were also partially supported by a financial grant from the Ministry of Education.

The winners of the above competitions received their prizes at the Singapore Mathematical Society Annual Prize Presentation Ceremony 2002, which was held at The Chinese High School on 21 September, 2002. The Guest-of-Honour was Professor Edison T. Liu, Executive Director, Genome Institute of Singapore.

The Mathematical Competition Subcommittee consisted of A/P To Wing Keung (Chairman), A/P Chew Tuan Seng, Mr. David Chia, A/P Chua Seng Kee, A/P Lee Soo Teck, A/P Denny Leung Ho Hon, A/P Leung Ka Hin, A/P Fred Leung Pui Fai, Mr Ng Kah Loon, Mr. Ng Wee Seng, Dr Roger Poh Kheng Siong, Dr Tan Kai Meng, Dr Victor Tan, Dr Teo Kok Ming, Dr Wong Yan Loi, A/P Yang Yue, A/P Zhu Chengbo.
