### The Programme

After several days of deliberation, the Jury, consisting of the leaders of all the participating teams, chose the 6 problems for the contest.

The contest itself was held over two days. On each day, contestants were given 4.5 hours to solve 3 problems. The team leader and the deputy for each country then graded the scripts of their contestants and the final score was then determined after coordination.

The cut-off scores for medals were:

**Gold: 29-42      Silver: 23-28      Bronze: 14-22**

A total of 39 gold, 73 silver and 120 bronze medals were awarded. The contest problems are included in the competition corner.
